[redacted] Comment. The wheels are normal gauge and dispatched from the Cottbus central collecting point to the Soviet border railroad station. They will be used in conjunction with the program of returning another 20,000 former German boxcars. [redacted]

25X1

** [redacted] Comment. These four empty trains consisting of converted boxcars are part of the program to exchange military personnel, which started in mid-July 1952. [redacted]
